Dear Sir,

England,  
Dec. 31, 05.

Many thanks for your Card of Nov. 26.

I am flattered that you like my specimens.

Thanks also for the £1 "10" 0, which Mr. Dulan paid me last Friday Dec. 29. I have not more than 20 species for fascicule II, but all important species.

I have been also collecting leaf-fungi - one of our Universities desiring them - Cystopas - Neckia, &c. - Shoerthea, &c. Stepie &c. Myllachora - Puccinia, Mecynidium, &c. &c. I have 50 species.

Please send Card, if you would like the 20 Agarics, or the 50 <sup>English</sup> leaf-fungi or perhaps both.

Yours faithfully,  
Ch. E. Huxley-Smith.
