

30. X. 13.

Dear Sir

We are much obliged to you for your kind response to our letter and for the Illustrated account of the Botanic Garden at Padua which you have sent to us. We send under separate cover an illustrated account of the Royal Botanic Gardens, Kew and also a copy of our 'Popular Official Guide' for your acceptance.

It is unfortunate that the views in your publication do not show the arrangement of the old garden very well. I notice quite a good view " Veduta dell' interno,

del Semenzaio e del boschetto
col vecchio Platano " on the
account of the garden on the two
loose sheets sent with the booklet.

If it should be possible we
should much appreciate a
photograph of this view or of
a similar view as it is one of
very great historical interest

I am

Yours very truly
