JOHN M. CLARKE, Director

State Botanist's Office

Education Building, Albany, N. Y.

Febr. 4, 1916.

Comm. Pier Andrea Saccardo,
Via Luca Belludi,
Padova, Italia.

Dear Professor Saccardo:

I forgot to say in my letter of
the 3d. Jan. that Dr. Peck's No. 45 is doubtless wrongly
determined as to host.

It does not appear to be Fraxinus Americana.
I am not sure what it is, but it looks like some species
of Acer.

Very truly yours

J. D. House
