Jan. 20, 1903.

Dr. P. A. Saccardo,  
Padua, Italy.

My dear Sir;

Will it be possible to see  
you and your collection about  
July 20 next? I come via the Princess  
Irene to Naples about July 16. I shall  
have many specimens of Polyporaceae  
with me and wish to see all American  
material of this group. My wife comes  
with me.

Very truly,

W. A. MURRILL.
