P. A. Saccardo

Padova, Italy

Dear Sir:-

Pardon me for my delay in paying
for the two Supplements to the Sylloge Fungorum.
I enclose draft for 122 Lire

I have found it impossible to continue my
botanical studies during the last eight years
and ask you to take my name from the
list of subscribers. Perhaps in some future
year I may be able to take up the study
again.

With best wishes

Sincerely
L W Nuttall
