

Canoubury
Shrewsbury
England.

Sept 9 1902

Dear Sir,

I enclose herewith a
postal Order in payment for
the vol. XVI. of your excellent
"Sylloge Fungorum",

I am sorry to say that
I am now become unable to
to work, at my favourite study
owing to failing sight, so that
in future I shall be compelled
to cease taking any future volumes
of your great work.

With kindest regards I am
Yours truly,
William Phillips.
