Dear Sir,

I found on returning home,
after an absence of some time, that
you had sent me Part VI. of vol XVII.
of your admirable "Sylloge Fungorum",
but as I ceased to continue taking
the work some years ago (owing
to financial reasons) I must return
this part to you. Please to inform
me where I shall send it to.

I remain

Yours truly
William Phillips.

Professor P. A. Saccardo.
