

Charlton House, New.

27.1.03

My dear Sir,

17

There is ~~unmarked~~ a type specimen of
C. hauri Greville in the New Herb. - The leaf of the
host-plant ~~is~~ belongs to Prunus hauri-Cerasus. -
like that depicted in the plate, ^{254.} - Undoubtedly
Greville made a mistake here; ~~the~~ the common
Laurel of our gardens is not Prunus nobilis,
but Prunus hauri-Cerasus.

With kind regards.

Yours sincerely,

E. C. Salmon -
