

Dear Sir,

Sept. 6th 1918

BRITISH MUSEUM (NATURAL HISTORY),

CROMWELL ROAD, LONDON, S.W. 7.

I have received your p.c. and
I have written to Miss Bridger B.Sc.
Mycologist, Union Dept. of Agriculture,
Pretoria, S. Africa.

I hope she will send the paper
at once. If she does not do that
within the next two months, will you
let me know. Letters are very un-
certain these days.

I am going to our annual fungus foray
next week, to Selby in Yorkshire. We can
still travel - but it is not our best matter
now. I think the great alliance is one
of the happiest things in the world just now.

Chaque allié est si content de l'autre. Il y a
soldats de par tout le monde dans nos rues.
Nous commençons tous à croire que la fin
s'approche. Il est bien temps.

Agreez, cher Monsieur, mes salutations
distinguées
A. Lorrain Smith.
