P. L. GAINES

WEST RALEIGH, N. C., August 24, 1909.

Dr. P. A. Saccardo,

Padua, Italy.

Dear Dr. Saccardo:-

I wish to express to you again my gratitude for the many courtesies which you extended to me.

As you requested I am sending you a copy of my photograph in this mail, also copies of the other pictures taken in the garden though unfortunately an accident destroyed one of them entirely. I am sending also several reprints.

Yours very truly,

F. L. Stevens
