

# 1525 Green St  
Philad<sup>a</sup> - Pa<sup>a</sup> Usa. Oct 9<sup>th</sup> 1913.

Prof P. A. Saccardo,  
Padova, Italy,

Dear Sir,

I am sending you to day, through the Postal Money Division,  
101 Liras in payment for Vol XXII Sylloge Fungorum.

Although the package was posted Aug 27<sup>th</sup> it only reached  
me Oct 7. It was not delivered by mail, but by Mess L.  
Rubellis Sons, Custom House Brokers Philad<sup>a</sup>: and I was  
charged \$ 1.25 for Custom House entry + delivery. On calling  
at Mess Rubellis Sons this morning they informed me the  
volume had been forwarded to this city by Mess Danzas +  
Co of Basle, Switzerland. As the package was mailed  
parcel post + your bill called for "poste gratis" I asked them  
to explain. They could not give me a satisfactory answer.  
Please send future vols. so that I will not have this extra  
charge. Kindly reply to above.  
The vol came in duty free.

Yours truly,  
Wm. C. Stevenson Jr
