

THE MISSOURI BOTANICAL GARDEN.

WILLIAM TRELEASE, Director.

St. Louis, Mo.,

December 21, 1909.

Dear Professor Saccardo:

One of our men is interested in *Datisca*, which I believe you have in cultivation, and I venture to write to ask if in this case you cannot kindly send me a little plant or two by post early in the spring when freezing danger is over. If so, I shall be most grateful.

Always at your service, I am

Truly yours,

Wm. Trelease
