BUREAU OF SCIENCE,  
MANILA, P. I.

Prof. P. A. Saccardo,

Padua, Italy.

Dear Sir:

Mr. Reinking has told me that you desire to secure copies of my publications on Philippine fungi. I take pleasure in sending you separates of two papers on Philippine fungi and one on a collection of fungi from British North Borneo.

It has occurred to me that you might be willing to work over certain of the groups of Philippine fungi. A large amount of undetermined material has accumulated here which we would be very glad to send you should you desire to undertake the determination.

Very respectfully,

*Harry S. Gates*  
Mycologist, Bureau of Science.
