

UNITED STATES DEPARTMENT OF AGRICULTURE  
BUREAU OF PLANT INDUSTRY

LABORATORY OF  
FOREST PATHOLOGY

SPOKANE, WASHINGTON

March 4, 1920.

Professor P. A. Saccardo,  
Royal Botanical Institute,  
University of Padova,  
Padova, Italy.

My dear Professor Saccardo:

I am sending you by today's post a package of fungi for favor of determination. The material in most part is very meager, the result of the division of a single original packet. My collections in the future will be very ample and correctly prepared.

I hope I did not inconvenience you by returning the MSS on my previous collections. When the MSS is returned I will hasten to publish it in *Mycologia*.

Most respectfully yours,

*James R. Weir*  
DR. JAMES R. WEIR

Forest Pathologist in Charge.
